

Dear Parent or Guardian,

Greetings! Another school year is here and Everyday Kids is ready to assist in helping your child reach their greatest potential. We are only a piece in the puzzle, but we will fill it to the best of our abilities.

Everyday Kids is an afterschool program that combines tutoring, life skills, fun and service to build kids lives with character and excellence. The doors will be open Monday, Tuesday and Thursday afternoons from 4:00-6:00pm during the school year.

The center is run as a sign in/sign out program where kids can enter or leave the program on their own. Children exhibiting bad behavior will be asked to check out for a given period of time, depending on the behavior.

It is very important that if you want your child to participate in **field trips with** Everyday Kids you must sign the release at the bottom of this page and fill out the registration on the back.

Each day, students will be given 30 minutes of tutoring time. This is a great way to get caught up or continue to achieve in school. This letter of release also gives permission for the school to contact and discuss your students needs. This will be valuable to us and we hope you also. It is our attempt to know what your child needs help with and also know how the school is teaching each subject.

Each month, Everyday Kids will be taking a field trip to do community service, take part in an educational activity, or just to have fun. Participants that wish to attend must earn different points to go. There are EK Bucks that are earned for positive behavior and success in school. There are also points for serving others. Most trips are a combination of these 2 systems. This system is designed to teach values like hard work, money management, generosity, decision making and many others.

We have two qualified staff at each site that will direct the activities of the day and be a great source of encouragement for your child. In addition to the staff, we would like each parent to volunteer one day each month. This will give you insight into what happens at the program, give you a chance to get to know our staff, and help the program to move forward. We value the impact that parents have on lives'.

Sincerely,

Tony Geselle
Everyday Kids Executive Director
651-983-5581

I, the legal guardian or parent, give permission for _____ (CHILD NAME) to participate in Everyday Kids and release Everyday Kids and site owners from any liability in the case of any accidents involving my child during their participation with Everyday Kids. I also agree to the standards listed on this page and will support the enforcement of these standards. I further give the school district permission to discuss how Everyday Kids can assist my student in accomplishing their educational goals.
